The font size and the size of Headings, etc. depends on you. All text should be produced as a single column, single line spacing.

The first page of your paper must contain: the title of the paper, the author names, affiliations, state, country and e-mail addresses, the abstract and the name of the conference, as shown in this document.

Please check English grammar and spelling carefully before submitting your paper. Please save your file as **Lastname_name.doc** or **Last name_name.pdf**.

Papers are preferred to be submitted as email attachments sent to Andrea Kutnarova at ak@aip.cz by **January 4, 2008**. Earlier submission would be appreciated!

If your file is bigger than 1 MB memory, compress it please into ZIP or RAR format.

If you can not submit an electronic file, you can save it on a floppy disc or on a CD-ROM medium and bring it or mail it to the address:
